

My strengths

What are my personal strengths and ways of building relationships that are natural to me?

--	--	--	--	--

Object in the middle

Instead of asking to network what's the object that you could put in the middle to start the relationship?

Do's

What should I do more in the future?

Don'ts

What should I do less in the future?

Third doors to unlock

What are alternative ways to network that I could explore more in the future?
